Claudia Masferrer is an Associate Professor at the Centre for Demographic, Urban, and Environmental Studies, Coordinator of the Seminar Migration, Inequality and Public Policy, and Member of the Research Group on Demographic Dynamics at El Colegio de México. Claudia holds a PhD in Sociology from McGill University and an MSc in Statistics from the University of Texas at Austin. Her research focuses on internal and international migration, reintegration of returnees, immigrant integration, demographic dynamics, inequality, and how policy mediates these processes. She has studied return migration to Mexico and its implications for more than a decade. Her scholarship has been published at academic journals (*Demography*, *Journal of Immigrant and Refugee Studies*, *Advances in Life Course Research*, *Population Research and Policy Review*, *Revista Latinoamericana de Población*, *Vienna Yearbook of Population Research* among others), as policy briefs, and as book chapters in edited volumes. She is the author of *Atlas of Return Migration of the United States to Mexico* (2021), coeditor of *La década en que cambió la migración. Enfoque binacional del bienestar de los migrantes mexicanos en Estados Unidos y México* (2021), editor of *Migración y desigualdades ante la pandemia COVID-19 en México y Estados Unidos* (2021), coeditor of *The intersection of foreign policy and migration policy in Mexico Today* (2022), and coeditor of *Migration Between Mexico and the United States: IMISCOE Regional Reader* (Springer, *in press*). She is a member of the Editorial Board of *Journal of Immigrant and Refugee Studies*, *Population Research and Policy Review*, y *Canadian Studies in Population*. She is a member of the National Researchers System (SNI-Nivel 1) and Perfil Deseable (PRODEP).
