Education

Ph.D. in Demography: *Internal migration by educational attainment in Spain*. Centre for Demographic Studies (CED) & Autonomous University of Barcelona (UAB), Spain, 2017-22. *Cum Laude*.

M.A. in Demography-European Doctoral School of Demography (EDSD). European Association for Population Studies, based at the Max Planck Institute for Demographic Research, CED & UAB, Germany & Spain, 2019-20.

M.Sc. in Regional and Population Studies. Autonomous University of Barcelona, Spain, 2016-17.

B.Sc. of Geography and Planning. University of Valladolid, Spain, 2012-16.

Additional training

Computer Programming for Demographers. Max Planck Institute for Demographic Research, Germany, September-October 2019.

Measures and Models in Demography. Max Planck Institute for Demographic Research, Germany, September-October 2019.

Positions

2023-present: Assistant Professor in Population Studies, Center for Demographic, Urban and Environmental Studies (CEDUA), El Colegio de México (COLMEX), Mexico.

2024-present: Guest Research Scholar, Population and Just Societies Program (POPJUS), International Institute for Applied System Analysis (IIASA), Wittgenstein Centre, Austria.

2022-present: Honorary Research Fellow, Department of Geography and Planning, University of Liverpool, United Kingdom.

2022-24: Research Scholar, Population and Just Societies Program (POPJUS), International Institute for Applied System Analysis (IIASA), Wittgenstein Centre, Austria.

2017-22: Predoctoral Researcher (FI Fellow since 2019), Centre for Demographic Studies, Spain.

2020-22: Adjunct Professor, Department of Geography, Autonomous University of Barcelona, Spain.

2018: Research Assistant, Department of Geography, Autonomous University of Barcelona, Spain.

2016: Internship, Economic and Social Council of Castile and León, Spain.

Research stays

Economic Commission for Latin America and the Caribbean (ECLAC), United Nations, Chile, 18-24/7/2023 (1 week).

Geographic Data Science Lab, Department of Geography and Planning, University of Liverpool, United Kingdom, 22/9//2021 to 22/12/2021 & 2/11/2022 to 3/12/2022 (3months & 1 week).

Laboratory of Digital and Computational Demography, Max Planck Institute for Demographic Research, Germany, 1/9/2019 to 29/10/2019 & 14/6/021 to 16/7/2021 (3 months).

Centre for Demographic Studies, Spain, 1/10/2016 to 1/7/2017 (9 months).

Editorial roles

2023-present: Social Media Editor, *Journal of the Royal Statistical Society: Series A*, United Kingdom.

2023-present: Associate Editor, *Journal of Regional Research*, Spain.

2023-present: Associate Editor, *PLoS ONE*, United States.

2024-present: Editorial Board, *AGER: Journal of Depopulation and Rural Development Studies*, Spain.

2023-present: Guest Editor, “Special issue: Advancing geospatial methods for sustainable resource management”, *Resources, Conservation and Recycling*, Netherlands.

2022-23: Guest Editor, “Virtual special issue: Internal migration in times of Covid-19”, *Population, Space and Place*, United States.

Grants and awards

2023: Roser Majoral Moliné Award for the Best Paper in Geography Published in International Journals, for the work “Understanding patterns of internal migration during the COVID 19 pandemic in Spain”, Spanish Geographical Association.

2023: Award for the best Ph.D. dissertation in Demography 2021-22, Autonomous University of Barcelona.

2022: Ramón Cuadrado Young Research Award for the paper “Understanding population decline trajectories in Spain using sequence analysis”, Spanish Association of Regional Science.

2022: Certificate from ANECA (Spain) as “Profesor Contratado Doctor” (equivalent to Senior Lecturer or Associate Professor).

2019-22: FI Grant for Ph.D. dissertations at universities and research centres. Government of Catalonia and European Social Fund (64,000 €).

2020: Grant for a research stay at the University of Liverpool, United Kingdom. Societat Econòmica Barcelonesa d'Amics del País (4,200 €).

R+D+I Projects

2023-24: *Long-Short Term Memory models to project population at intra-urban level. The Mexico City Metropolitan Area as a case study*. United Nations. **PI: Dr. Miguel González-Leonardo** & Dr. Emerson Baptista (Center for Demographic, Urban and Environmental Studies, El Colegio de México). Budget: \$ 10,000.

2023: *Quantify Migration Scenarios for Better Policy -QuantMig-* (Ref. 870299). H2020-European Commission. **PI:** Prof. Jakub Bijak (University of Southampton) / **Co-PI:** Dr. Michaela Potančoková (International Institute for Applied System Analysis). Budget: 3,338,729 € / IIASA: 308,081 €.

2023: *Future Migration Scenarios for Europe -FUME-* (Ref. 870649). H2020-European Commission. **PI:** Prof. Henning Sten Hansen (Aalborg University) / **Co-PI:** Prof. Samir K.C. (International Institute for Applied System Analysis). Budget: 2,999,401 € / IIASA 340,883 €.

2023: *Strengthening policy collaboration with the United Nations: Recovery and resilience through digital footprint data -RECAST-* (Ref. NCG10232). Research England. **PI:** Francisco Rowe (University of Liverpool). Budget: £ 89,913.

2021-25: *Effects of Covid-19 on migration and housing processes: Spain in comparative perspective* (PID2020-113665RB-I00). Ministry of Science and Innovation of Spain. PI Dr. Juan Antonio Módenes & Dr. Joaquín Recaño (Autonomous University of Barcelona). Budget: 66,550 €.

2019-21: *Integrating Research Infrastructure for European expertise on Inclusive Growth from data to policy -InGRID-2-* (Ref. 730998). H2020-European Commission. PI: Dr. Monique Ramioul (HIVA-Research Institute for Work and Society) / Co-PI: Dr. Albert Esteve & Dr. Iñaki Permanyer (Centre for Demographic Studies). Budget: 9,349,517 € / CED: 457,707 €.

2017-21: *Demographic behaviours and residential strategies. Notes for new social policies*. (CSO2016-79142-R). Ministry of Economy and Competitiveness of Spain. PI: Dr. Joaquín Recaño & Dr. Juan Antonio Módenes (Autonomous University of Barcelona). Budget: 38,700 €.

2016-18: *Residential mobility, sociodemographic selection and population substitution. Towards the polarization of Spanish cities?* (CSO2014-60967-JIN). Ministry of Economy and Competitiveness of Spain. PI: Dr. Antonio López-Gay (Centre for Demographic Studies). Budget: 157,300 €.

Review and external examination

2023: External Ph.D. examination of Jesús García-Gómez, “Labor Market Integration and Childbearing Behavior of Immigrants in the European Union”, University of Salamanca, Spain.

Journal reviews: *Proceedings of the National Academy of Sciences; Demography; Urban Studies; Population, Space and Place* (5 manuscripts); *Environment and Planning B: Urban Analytics and City Science; Demographic Research; Geographical Analysis; Rural Sociology; Scientific Reports; Vienna Yearbook of Population Research; REGION; Journal of Regional Research* (2 manuscripts); *Investigaciones Geográficas; AGER: Journal of Depopulation and Rural Development Studies* (2 manuscripts); *Ciudades; Doxa Comunicación; Bitácora Urbano Territorial*.

Teaching and courses delivered

Data Processing and Analysis, M.Sc. in Urban Studies, Centre for Demographic, Urban and Environmental Studies, El Colegio de México, Mexico, 2023-24.

Research Design for Population Studies, M.Sc. in Demography, Centre for Demographic, Urban and Environmental Studies, El Colegio de México, Mexico, 2023-24.

Internal Migration, Ph.D. in Demography, Centre for Demographic, Urban and Environmental Studies, El Colegio de México, Mexico, 2023-24.

Using digital footprint data to measure and monitor human mobility, Economic Commission for Latin America and the Caribbean, United Nations, Chile, 20/7/2023.

Demography, B.Sc. Anthropology, Autonomous University of Barcelona, Spain, 2020-21.

Invited talks

La Covid-19 y las transformaciones demográficas en América Latina [COVID-19 and demographic change in Latin America]. El Colegio de México, Mexico, 12/5/2023.

Internal migration in times of COVID-19, University of Liverpool, United Kingdom, 1/12/2022.

El impacto de la Covid-19 en los procesos migratorios y residenciales: España en perspectiva comparada [Effects of Covid-19 on migration and housing processes: Spain in comparative perspective], Universidad Nacional Autónoma de México, Mexico, 29/9/2022.

Del éxodo rural a la fuga de cerebros entre ciudades [From rural exodus to brain drain between cities], Centre for Demographic Studies, Spain, 20/5/2021.

Conferences

1. Presentation: Urban exodus in times of COVID-19? Understanding internal migration during the pandemic in a global sample of countries using Meta-Facebook data. *International Geographical Union (IGU) Thematic Conference 2023*. Mexico City, Mexico, 18-25/8/2023.
2. Presentation: Assessing the impact of the COVID-19 pandemic on immigration in the Global North. *IMISCOE 2023 Annual Conference*. Warsaw, Poland, 3-6/7/2023.
3. Presentation: Scenarios of future migration and population developments in the EU: Preparing for the unexpected. *IMISCOE 2023 Annual Conference*. Warsaw, Poland, 3-6/7/2023.
4. Presentation: Quantifying immigration declines in 15 high-income countries during the COVID-19 pandemic. *Giornate di Studio sulla Popolazione 2023*. Rome, Italy, 1-3/2/2023.
5. Presentation: Understanding population decline trajectories in Spain. A sequence analysis approach. *XLVII Reunión de Estudios Regionales*. Granada, Spain, 19-21/10/2022.
6. Presentation: How has Covid-19 Impacted on Internal Migration across the Urban Hierarchy? *European Population Conference 2022*. Groningen, The Netherlands, 29/6-2/7/2022.
7. Presentation: Where did the Spaniards move to after the COVID-19 outbreak? *International Workshop Mobilities and Housing Dynamics in the Post-COVID Society*, Granada, Spain, 9-10/6/2022.
8. Poster: Migratory Responses to the COVID-19 Pandemic in Southern European Urban and Rural Areas: A Case Study of Spain. *PAA 2022 Annual Meeting*. Atlanta, United States, 6-9/4/2022.
9. Presentation: The impact of COVID-19 on the demographic structure of an ageing society. The case of Spain. *International Population Conference 2021*. Hyderabad, India, 5-10/12/2021.
10. Presentation: Where are the Spaniards moving after the outbreak of the COVID-19 pandemic? *International Population Conference 2021*. Hyderabad, India, 5-10/12/2021.
11. Presentation: The impact of COVID-19 on internal migration and residential mobility. Is the Spanish population moving to rural areas? *XLVI Reunión de Estudios Regionales*. Madrid, Spain, 24-26/11/2021.
12. Presentation: How has internal migration changed after the Covid-19 lockdown in Southern Europe? *International Conference Social Inequalities and Quality of Life*. Bucarest, Romanian, 15-19/11/2021.
13. Presentation: Del éxodo rural al éxodo interurbano de titulados universitarios: la segunda oleada de despoblación [From rural exodus to interurban brain drain: The second wave of depopulation]. *IX Jornada Castellano-Leonesa de Ciencia Regional*. León, Spain, 14-15/10/2021.

14. Presentation: The impact of COVID-19 on the demographic dynamics of a highly aged country. The role of international migration in Spain. *60th ERSA Congress*. Bolzano, Italia, 24-27/8/2021.
15. Presentation: Éxodo urbano y fuga de cerebros: la segunda oleada de despoblación [Urban exodus and brain drain: the second wave of depopulation]. *XVII Congreso de la Población en España*. Zaragoza, Spain, 10-11/6/2021.
16. Presentation: Internal Brain Drain and Urban Decline in Spanish Depopulated Regions. *PAA 2021 Annual Meeting*. Durham, United States, 5-8/5/2021.
17. Poster: ¿Ha compensado la inmigración extranjera la pérdida de capital humano local en las provincias emigratorias? [Has foreign immigration replaced the loss of local human capital in Spanish sending provinces?] *I Reunión virtual de Estudios Regionales*. Barcelona, Spain, 26-27/11/2020.
18. Presentation: Éxodo interurbano y fuga de cerebros: la despoblación del siglo XXI [Urban upscaling and brain drain: the depopulation of XXI century]. *XX Coloquio de Geografía Rural*. Valladolid, Spain, 30/9-1/10/2020.
19. Poster: Urban Depopulation: Shrinking Cities and Brain Drain in Spanish Sending Regions. *European Population Conference 2020*. Padova, Italy (cancelled due to Covid-19), 24-27/6/2020.
20. Presentation: Autoctonía-aloctonía, nivel educativo y género en las migraciones internas [Educational attainment and gender in internal migration of the native and foreign-born population]. *XIII Congreso Español de Sociología*. Valencia, Spain, 3-6/7/2019.
21. Presentation: Migraciones interregionales de los jóvenes españoles, por nivel educativo. Una comparación temporal [Interregional migration of Spanish youth by educational attainment. A comparison over time]. *XVI Congreso de la Población en España*. Alicante, Spain, 12-14/9/2018.
22. Organization: *Competing for urban space: neighborhood change and population dynamics*. Centre for Demographic Studies. Barcelona, Spain, 12-14/7/2018.
23. Presentation: El nuevo paradigma de la emigración interna en España. El caso de Castilla y León [The new paradigm of internal out-migration in Spain. The case of Castile and León]. *II Encuentro de Investigación en Demografía*. Salamanca, Spain 5-6/4/2018.
